Time won't change the meaning of our love. Ageless and evergreen.

The worst fire in BHS history destroyed the 1895 building on September 25, 1936. The fire was started by a defective incinerator flue in the roof of the building and soon spread throughout the entire structure. By the time the fire was extinguished, the tower of the high school, a Brookline landmark, had collapsed. Damage was estimated somewhere between $150,000 and $200,000.

This year we tried something new. Officers for next year were chosen in January instead of in May since we all know what happens to seniors once second semester begins. Thus, the above officers served only one half of a term instead of a full year. We hope the club will benefit from this change. 1977-1978 has been a very productive year. Attendance was constantly over 50%. The first half of the school year was devoted to things like the Therapy Swim Program for the handicapped and the bike-a-thon for The Kidney Foundation. The second half of the year concentrated on fund raising events such as the auction. All money raised went towards the Key Club Scholarships and the Dollars for Scholars Fund.

RAGTIME BAND

FRENCH CLUB

President: Jyoti Daniere
Vice-President: Maureen Nissenbaum
Secretary: Laurie Stern

This year, the French Club can boast 30 new members, with language skills ranging from beginning to A.P. French. One of the many events that took place this year was the Freshman Flip-Day. This was an initiation system where each Freshman, or new member, had to complete a perfect crepe in order to become a full-fledged member. Needless to say, more crepes ended up on the floor than on people's plates, but all had a good time. The club has continued to sponsor French films, plays, books, and food throughout the year.

PACKARD HOUSE ADVISORY LEAGUE

Packard House still remains to be the only house at B.H.S. that has an advisory league. The group, which is advised by Mr. Gumbs, consists of Juniors and Seniors who spend their homeroom period in Freshman and Sophomore homerooms with the goal of closing the gap between upper and lower classmen. The PALs have continually been successful in their efforts. Other activities include the 40's-50's gala and other fund-raising events for dollars for scholars.

STUDENT EXECUTIVE COMMITTEE

During the 1977-78 school year the Student Faculty Assembly was changed to the Student Executive Committee. Since then, the SEC has dealt with issues such as the course catalogue, course offerings, and graduation requirements. Elections for the six person committee are held in April or May of the preceeding school year.

HORSEBACK RIDING CLUB

President: Nora Lehmann
Vice-President: Cindy Rich
Faculty Advisor: Ms. Danberg

Although the founder and former president recently graduated, we are stronger than ever. The club is bursting at the seams, but we always find room for one more rider. The club rides in the fall and spring at the Revere-Saugus Riding Academy. We have two groups of riders: a beginner/intermediate group, and an intermediate/advanced group.

BIKE/CROSS-COUNTRY SKI

Bike Club Presidents: Sheila Driscoll, Eric Spunt
X-C Ski Club Presidents: Miller Tobin, Sheila Driscoll
Faculty Advisor: Mr. Dudley

In the fall and spring, the Bicycle Club takes day trips to local areas, such as Concord and Farm Pond. We also planned a week-end trip up the New England sea coast to Rockport, but due to bad weather, it was cancelled. This year's cross-country ski trip to Jackson, New Hampshire, was highly successful and included beginning skiers as well as advanced.

VOLUNTEERS COMMUNITY SERVICE

Volunteers for Community Service had another rewarding year, providing human services to children in need. The Mental Health Club continued to sponsor dances, field trips, a carnival, and picnic for isolated teens and young adults in Brookline. TASK provided an after school program at a housing project for children between the ages of 4 and 8. Big Brother-Big Sister had more than ten leaders working with lonely children on a one-to-one basis.

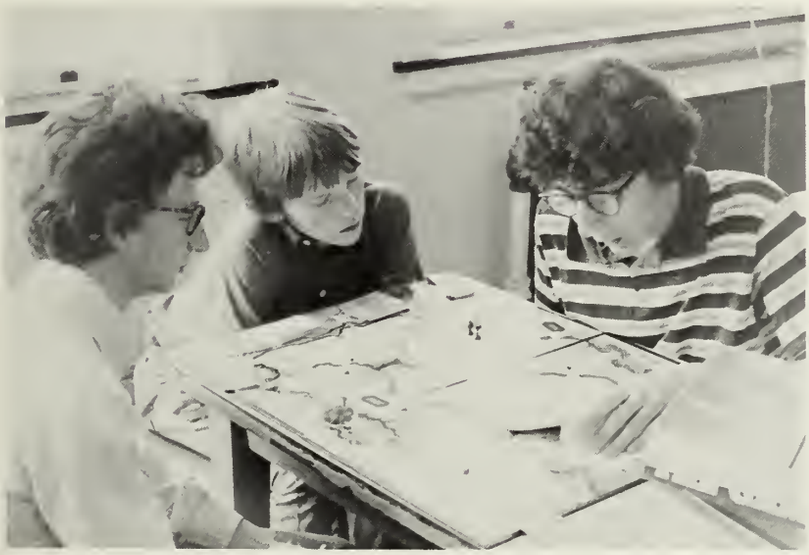
STRATEGIC GAMES



SKI CLUB

The BHS Ski Club, the largest club in the school, offers low cost ski trips throughout the season. The '77-'78 season saw the first February vacation ski week at Sugarloaf Mountain in Maine. Other trips included Killington, Cannon, The 93 Ski Area, etc. The club is comprised of skiers with all levels of ability, but a high level of enjoyment is shared by all. This year's officers Lewis Schneider (second term), Sara Schley (second term), and Eric Lynton have the tradition in making this the most desirable winter activity.

Boys Soccer team stretching out.

Suburban League star Phred Churchill approaches the ball

An example of individual talent.

Bob Bing-You awaits with anticipation.

Boys' Soccer

Junior Co-captain Dave Friedman supports his team.

Using good strength, an important side line throw.

Joy prevails over the game's victory.

Record-wise, we had a disappointing season. Mainly because, though we outplayed our opponents most of the time, but we couldn't put the ball in the net — which is kind of important. Suburban league all-star Phred Churchill supplied most of the attack with 11 goals. Everybody got a chance to play, and we had a good time — which is what it's all about.

Girls' Soccer

Aggression is Cindy Loo's middle name.

Ms. Schreck gives the team some last minute advice.

Senior, Andrea Kamerow, shows a few of her moves.

Girls' soccer team on their way to the state tournament.

Debbie Kindred, a strong full back.

Captain Denise Chmielinski, team goalie, kicks the ball.

It took hard work and dedication for a soccer team with only one year of experience to make it to the state tournament. Each girl played to the best of her ability throughout the season until the end, against a number one seeded Foxboro in which we lost 2 to 1 after two over-times; a game we will long remember.

With the advantage, Carol Connor fights to keep the ball.

Co-captain Leslie Endlar runs to aid her team.

Jo-Ann Thornton, a prime example of faith in the other team's "high sticking."

Field Hockey

Martha enthusiastically awaits practice.

We got the spirit
We got the yell
We got the team
that fights like . . .

All around student-athlete co-captain Sara Schley, contributes much to the team.

A team race from behind the line, keeps the competitiveness up.

Volleyball

"Although getting off to a slow start and frustrating start, this year's volleyball team was very strong. Even with the few new players we were able to adjust and work together competently as a complete team. Good luck to next year's team!"

Celeste sets the ball for the team's spiker.

The team listens to Coach Crane's winning strategy.

Valerie makes a block as all-star player Sue DiPesa looks on.

The game ball.

Olympic candidate Karolyn Kirby shows her talent.

New team member, Galina Gittens, with her powerful serve.

Cross Country

In the process of a hard, long run at Newton.

Only female team member, Jenia Walter, stands amidst the many Newton girls.

Team captain Scott MacFarland going all out.

"I look at Cross country as an individual sport more so than a team sport. Although the team scores are what determines your season record, it is the individual that gets personal satisfaction out of the race. Whether you win or lose as a team is minor if each individual runs better than he or she did the race before. I wish captain-elect Drew Lally and next year's team the best of luck."

Senior, four year runner Steve Rosenthal.

Bruce Hanford paces himself for the race.

Receiving a pep talk from Coach Laasko.

Swimming

Team members cheer on individual contestants.

Brigid Flanigan prepares a perfect dive.

A winning start.

A genuine pool party.

Flying to the finish.

"The water is too hot." "The water is too cold." "Shut up Michele." "Bingo!" "But Jo-Anne." "Jim said I could." "Katie needs a Towel from the board." "I think Pam missed the bus." "I don't feel good." "Do I have to?" "Where's Bong?" "Turn on the radio." "7:00 in the morning!" "We love you Jim and Jo-Anne."

Football

Tri-captains Keith McGrath, Barry Stanton and Neil Doherty listen to rules and regulations.

Senior, defense, Tom Roddy relieves his thirst.

BHS football, a close team.

Quarterback, Maxwell Jones

Preparing for play 78.

Fourth down and the team goes for it!

A tackle worth remembering.

These are the seasons of emotion and like the winds the rise and fall. This is the wonder of devotion. I see the torch we all must hold.

This is the mystery of the question upon us all a little rain must fall.

BOYS' BASKETBALL

Teddy learns a new step.

It's a bird, it's a plane, it's a . . .

I think this ball is dead.

Hey! Who put glue on the ball?

Billy discusses the game with basketballs.

The Varsity Basketball team had a rough season both in the "win" column and in injuries to three starting players. The season wasn't a total loss because everyone had a good time even though we didn't win.

A big Thank-you goes to Mr. Johnson for keeping us together through the whole season and keeping everyone happy. Also special thanks to coaches Boyd and Bel Bel, who helped out a good deal. Lastly, good luck to coach Johnson and to the rest of next year's varsity team.

Gary dodges past Weymouth.

Brookline goes for the lay-up.

GIRLS BASKETBALL

Tofias is tough!

Our record of 1-15 shows great room for improvement but we feel the techniques of our new coach Joanne Damigella are a plus for the future years. The team potential has allowed us to progress through the season and the outlook for the future is promising.
Good luck next season and thanks for sticking it out.
Laura Tofias
Denise Chmielinski

Rebound!

It's all in the wrist.

Let's Bump.

I've got it.

HOCKEY

After an unsuccessful 1976-1977 season, the hockey team decided to get their heads together and have a good 1977-1978 season. It started off with a loss to Quincy in the opener 1-0. It could have gone either way, and we weren't going to give up. Then with a 2-2 record, after losing our second to Newton, we set our course and pulled off seven straight to bring our record to 9-2, and first place. We lost the next three and ended with an 11-5 record. This year's team was dedicated, spirited and enthusiastic through bad as well as good times. There was a closeness between the players and coaches and everyone was there to help cheer on rather than criticize their teammates. Although we did not make the states, the season was a success. We had a good time. We learned the meaning of a good team and teamwork.

When all else fails — Hack!

WRESTLING

You're cramping my style.

GIRLS' TRACK

Jeannine strides for the best time in the league.

Winning isn't always easy.

Can I come down now?

Cheryl helps Brookline into first place.

Preparing to put that shot where it belongs.

This has been a year of many 'firsts' for us. We had our first undefeated season. For the first time we weren't second to the boys on the Chronicle's Sports page. (Ahem) And we finally made it as Suburban League Champs.

The help of Mr. Conroy, Mr. Gumbs and all the teachers from the school who officiated at our meets enabled us to have this successful season. We'd like to congratulate Mr. Parsons for his great coaching job and all the kids for working so hard to make this the best and happiest team we've ever had.

Good luck to next year's team!

BOYS GYMNASTICS

Bars get me high.

Alleeoop.

Brookline's Rudolf Nureyev.

Concentration.

Halfway home!

Despite their optimistic attitude, the Boys' Gymnastics team hopes for a winning season were shattered by a plague of injuries. By the time their last meet arrived they had lost five starters including all-around superstar, Richard Foster.

With the inspiration of their new coaches Neil Harrington and Jack Jew, those that stuck with it showed obvious individual improvement. Side Horse, the most popular event was led by seniors Herbert Lee, Tony Rao, and junior Mark Cheung. Kai Lee, Jeff Sudalter, and gold medalist, Eddie Gresser helped make the floor exercise the best event.

Calisthenics Kill!

Hang in there!

GIRLS' GYMNASTICS

Perfect pose.

The 1978 Girls' Gymnastics Team was super because .....
Sharon Buckley won first place on the balance beam.
Joanne Burns had her first date.
Sandy Differ decided to buy peds.
Kathy Hennessey wasn't injured.
Pam Hunt was always the last one to leave practice.
Jacki Kirby was a woman.
Susan Marshall has as much balance on her hands as she does on her feet.
Lynda Ritter finally stopped getting "Hickeys" on her cheek.
Johanna Wish was always there to give us at least an 8.0.
Eric Friedman was a plain nice coach.
Mrs. Roberts always had her hair in place.
And because Anne Gulley, Susan Egan, Joanne Fay, and Natalie Flanagan were always there for support.
That is why we broke our team record with an 86.55.

Practice is FUN.

Now, how do I get down?

When you've got it you've got it.

I suppose you think this is easy!!

It's a big pool out there, Larry.

Turn around Mike the water is the other way.

Co-captain Larry Crepo surfaces for air.

BOYS' SWIMMING

Boys Swim Team cheers on the team.

The swim team placed second in the Suburban League this year ahead of Newton North, our chief rival. Newton, during the regular season, edged by us due to a questionable call in the final event. Although Brockton defeated us both in the Suburban and Eastern Championships, we beat them in the state meet at Harvard.

Co-Captain Larry Crapo

We've got to stop meeting like this!

Jacknife!!

BOY'S TRACK

The performance of the Track Team at Brookline High is comparable to a sine curve. Coming off its high point in 1963, the team had a winning record of four and one. Last year, the team seemed to be at its low point with a zero and eight record; but this year, it seems as if we are on the upswing. The winter team finished the season with a one and seven record, with outstanding performances by freshman-miler Peter Guran and 1000-yarder John Costello.

The Murivian regrets that no candids for Boys' Winter Track were taken due to the "Blizzard of 78." Please accept our apologies.

Headmaster's Message

Message to the Members of the Class of 1978

One of our objectives during these past four years, beyond assisting you to simply endure and survive, has, hopefully, been to lead, lift and nourish your spirits, your souls, and your minds.

Continue to learn, to be educated and in turn to educate others. Richly receive, but give MORE than you have to those who have less than you need. Go forth with hope and courage! You can fill our GREATEST EXPECTATIONS!

JOHN WALL

A newcomer to the faculty of our school this year, Mr. Wall already is active in both curricular and extra-curricular activities. He teaches typewriting, office practice, and junior business training, and, after one-thirty, assists the Circulation Department of the *Sagamore*.

John B. Wall

This year the Murivian Staff would like to give special recognition to Mr. Wall and Miss O'Leary.
Mr. Wall, known to most students as the familiar figure in the typing room, has the notable distinction as being the faculty person who has worked the longest at BHS. Coming to BHS in 1941, Mr. Wall has been Housemaster and Assistant Housemaster of Shailer House and Roberts House, Faculty Supervisor of the High School Banking Program, and the Teachers representative on the Board of Directors of the Municipal Credit Union. Presently, he is in charge of the BHS Treasury.

1942

Miss O'Leary, secretary to the Headmaster, Mr. Rinaldi has worked for the four preceding Headmasters: Wilfred Ringer, William Young, Robert Andre, and Bertram Holland. Miss O'Leary graduated from BHS and two years later, in 1936, began work in Town Hall. She came to the High School in 1942 and has since served a vital role in the administration of the school.
Special thanks to you both!!

This year, the theme for the 1978 MURIVIAN is history and tradition. It is a rather appropriate theme considering the many historical events we have observed for the past 18 years. Such experiences make our senior class unique. We were born and raised during the Viet Nam War, but unlike our fathers and grandfathers, we haven't yet served our country in a war abroad. At age three, we saw President Kennedy assassinated on live television. Later, at age 14, we saw President Nixon publicly resign.

We are the television generation; we have witnessed man's landing on the moon, the Boston Red Sox lose two World Series, "Roots," the Beatles together and apart, Howard Cosell, hippies, McDonald's hamburgers, Woodstock, Variety shows from the Ed Sullivan Show to the Gong Show, and the endless tragic deaths of famous people.

We have seen numerous technological advancements, including nuclear weapons, the microwave oven, heart transplants, the S.S.T., aerosol spray cans, laser beams, the C.B. radio, and computers.

We have followed the Equal Rights Movements, while concurrently watching the changes in ladies' fashions from mini to maxi and bra to braless.

And now, at age 18, we have reached a major crossroad in our lives. What will our future be? For some, we will continue our education at college while others must immediately enter the job world. But whatever we do, we must try to remain open-minded and progressive. If we all try hard enough, our lives will amount to something special. Besides, with the background and experiences we have, how can we go wrong?

Good Luck Class of 1978!
